

AUSSIE Salute

Aussie Salute

Scaevola

Scaevola have been popularised all around the world due to their quick flowering ability, unusual fan form and versatility as a ground cover or containerised plant. These two *aemula* species, Aussie Salute Blue and Aussie Salute Pink are fast growing, short lived perennials that stand strong and tall with masses of large, fan-shaped flowers.

The Aussie Salute series produces flowers year round, peaking in spring and summer. From purple/blue to bright pink, the flowers cover the branches of bright green foliage and put a spectacular display of strong colour into any outdoor area.

The distinguishing feature is the more upright habit than most forms of *Scaevola aemula* on the market. Forming a low mound, these scaevola are perfect for gardens, rockeries, as a feature or in a container.

- Notes from the Ramm Botanicals R&D Team:**
- Strong, upright, mounded habit
 - Masses of fan-shaped flowers throughout the year
 - Vigorous and quick growing
 - Short-lived, soft-wooded perennial

Key Information

Height	40cm
Width	40cm
Tray size	105 plugs per tray
Price per plug	\$1.36 (+GST)
Label supplier	Norwood
Label bundle size	125
Label code	Blue: 51-3952, Pink: TBA
